

Team members: Juan Ruiz, Karent Correa, James Feliciano Esmael Ali

Criteria - score each from 0-5 (0 = missing criteria, 5 = meets criteria fully):

- Is it ethical?
- What are the deliverables?
- Is it legal?
- How will it affect people
- Availability of resources
- Is the project too small for a group?
- Is it exactly like an existing product?
  - An improvement to an existing product is fine
- Is it appropriate for school? Is it PG?
- Is proposal too vague?
- Can we measure its success?
- How much does it interest you?

Total Points:

Measurement of Done:

- Establish the goals early on
  - Create epics
- Get input from community/stakeholders on goals
  - Hierarchy of goals
  - Functionality vs. prettiness
  - How to split the project
